Sir

SUBJECT - Revision of the pay of conservancy Maistries of Mandya Municipality

I have the honour to forward herewith a copy of the report together with its enclosure received from the President Mandya Town Municipality on the above subject and state that the provision of Rs 1,000/- made in the current year's budget for the entertainment of additional conservancy staff was deleted by Government But the president reports that the Municipal Council have resolved that pay of two scavengers who are doing the work of Maistries may be fixed at Rs 15/- p m and he requests that sanction may kindly be accorded to fix their pay at Rs 15/- p m

In this connection I wish to state that owing to the formation of extensions the work of the conservancy staff has increased and to effect proper supervision over the work of the conservancy staff the two scavengers referred to have been entrusted with the work of supervision as per sanction while there is only one Maistry on Rs 15/- The proposal of the President will involve an increase in the number of scavengers if substitutes are appointed in the places of the two scavengers proposed to be treated as Maistries As there is no provision in the current year's budget the number of scavengers cannot be increased Hence the only alternative is to keep the two places of scavengers vacant in case their pay has to be raised to Rs 15/- p m and their posts distributed as Maistries I have issued instructions to the President to keep these two places vacant till the budget for 44-45 is sanctioned

As the work done by the two scavengers now recommended is the same as that done by conservancy Maistry it seems reasonable to fix their pay at Rs 15/-

In the circumstances, I recommend that sanction of Government may kindly be obtained to fix the pay of the two scavengers at Rs /- p m each as proposed by the President and to meet the extra cost of Rs 7?/- out of the closing balance

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner,

Two of the existing Scavengers are proposed to be promoted as Conservancy Maistries with an increase of pay by Rs 3/- each per keeping the Scavengers' places vacant during the year. The work of these two will be entrusted to the

each of the supervision over the work of the other Scavengers as the extension of the town needs such supervision. It cannot be made out how the work of the Scavengers could be fully attended to when there would be a decrease of 2 hands, while the cost would be increased by six Rupees every month or Rs 72/- per year. Right for ordering the said extra cost is proposed to be met out of the Octroi balance

3623/L

MRG 15/1/44

The proposal to create two posts of Conservancy masters on Rs 15/ each p m may be sanctioned, as well as the proposal to give the said posts to two persons now employed — and the duty of the posts of Scavengers being to essential it has hereby to be granted out that services in view of the growth of the Station Distinct Headquarter municipality, it would not be advisable to keep the two places vacant! Cannot by any means be created. or the resultant economy (real economy of the needs of the inhabitants would might suffer thereby hence to be maybe reported to advise whether to employ two scavengers very early after allowing the arrear for a few months, the cost would not be much as on behalf.
